COMMENT ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Examiner's Statement of Reasons for Allowance mailed May 11, 2005, Applicants' provide the following comment. In the Statement, the Examiner recites portions of the allowed independent claims (Claims 10 and 27) and notes that the prior art of record does not disclose the recited elements. Applicants object to this statement to the extent that it implies that certain recitations of the claims are more important than other recitations. Applicants submit that the claims are allowable because the combination of elements of each claim is patentable over the prior art. Accordingly, patentability does not rely on any single limitation or combination of limitations less than the entirety of each allowed claim. Furthermore, the Examiner's stated reasons are not the only reasons for allowance.

Respectfully submitted,  
KNOBBE, MARTENS, OLSON & BEAR, LLP
